POPULATION ENVIRONMENT AND THE CHALLENGE OF DEVELOPMENT

Akansha Publishing House, 2003. Hardcover. Condition: New. A collection of 22 thought-provoking papers contributed by eminent scholars from various Countries including Austria, Argentina, Canada, Greece, Malaysia, Poland, Usa and India, this Book deals with the contemporary yet burning issues of population, Environment and development, which require a delicate and judicious balance in man's quest for development. Often this is easier said than done with rising human numbers, rising affluence levels and skewed Consumption patterns made all the more complex by...

Reviews

Absolutely essential study ebook. It is probably the most amazing pdf i actually have read. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Enola Cormier**

Great e book and helpful one. I really could comprehend almost everything out of this composed e pdf. You are going to like how the author compose this pdf.
